Red is the American Heart Association's color for women and heart disease. Make it your color, too!

GO RED FOR WOMEN captures the ENERGY, PASSION, and INTELLIGENCE of women, to work collectively to wipe out heart disease - the No. 1 killer of women. Thanks to the participation of both women and men across Colorado and the nation, the color red and the red dress now stand for the ability all women have to improve their heart health and live stronger, longer lives.
